Foreword

GST, a paradigm shift from origin based tax to destination based tax, has been introduced in India with one of the objectives to provide an uninterrupted and seamless flow of input tax credit, and a mechanism to avoid cascading of taxes. Thus, to ensure this smooth flow of credit and also authenticity of credit claimed by the tax payers, in some cases they are required to make declarations in Form GST ITC-01, Form GST ITC-02 etc. Government has given the responsibility of certifying aforesaid declarations to Chartered Accountants, which I am sure will be taken care by our members with utmost care and dedication.

In order to facilitate members and other stakeholders in understanding the requisite contents of certificates, supporting documents so as to assiduously discharge duties and responsibilities casted on them, GST & Indirect Taxes Committee of ICAI has come out with this Guide to GST Certificates. In the Guide, an attempt has been made to cover each and every area in GST Law requiring furnishing of CA Certificate. Further, check points have been included for each Certificate which may be referred by the members before certifying the credential provided by the tax payers.

I request my professional colleagues to equip themselves and exercise due care while certifying the credentials. I appreciate the efforts put in by CA. Sushil Kumar Goyal, Chairman; CA. Rajendra Kumar P, Vice-Chairman, GST & Indirect Taxes Committee and other members of the Committee for undertaking this tedious task and coming out with this comprehensive Guide.

I wish the readers a fruitful and knowledge enriching experience.

President, ICAI

Preface

Smooth GST implementation is an epitome for economic growth in India. This calls for in-depth understanding and comprehension of GST law both theoretically and practically. One of the practical aspects of considerable importance to our fraternity is the requirement of Chartered Accountant Certificate under various provisions in GST law like availability of ITC in certain special circumstances, refund claim exceeding Rs. 2 crore, disbursement of budgetary support under GST regime to the units located in States of J&K, Uttarakhand, Himachal Pradesh and North East etc.

Considering the above facts, the GST & Indirect Taxes Committee has come up with this publication titled "Guide to CA Certificates in GST" which contains various Certificates required under GST regime to be issued by Chartered Accountants along with corresponding check list. Format of Certificates are purely recommendatory in nature, to facilitate members and stakeholders to discharge their duties and responsibilities proficiently. The Certificates discussed have not only given illustrative guidance but also explicitly state the responsibility cast on Management and Practitioner in terms of the provisions requiring such certificates. Although an attempt has been made in this guide to cover all the areas under GST requiring certification from Chartered Accountant, in case any certificate not covered, then members are requested to apply their mind judiciously, keeping in view the intent behind the law, principles and policies.

We thank CA. Prafulla Chhajed, President and CA. Atul Kumar Gupta, Vice-President, ICAI for providing support for this initiative. We are happy to acknowledge the support of CA. S. Venkatramani, CA. A. Jatin Christopher, CA. Raaja Jindal, CA. Ashu Dalmia, CA Yash Daddha, CA. Venu Gopal Gella, CA Kapil Vaish, CA Rohini Aggarwal, CA Naresh Seth and others members of the GST & Indirect Taxes Committee and also the members of Auditing & Assurance Standards Board for reviewing all the Certificates. I also appreciate the dedicated efforts of the entire Secretariat of GST & Indirect Taxes Committee.

Readers are welcome to provide suggestions for the improvement of this guide at gst@icai.in.

Check points for the Chartered Accountant :

- (i) Verify registration particulars with the Registration Certificate.
- (ii) Copy of the refund claim for which the Certificate is sought, to be obtained. Check whether the refund claim has been made within the specified time limit. All amounts to be claimed as refund must have been carried in the Balance Sheet as a current asset and not expensed (or included in the capitalized value of any asset) of the applicant or debited to any customer directly on any invoice. Provision made towards such refundable amounts due to uncertainty of sanction of refund is not fatal to the claim of refund or for issue of this certificate.
- (iii) Ensure that the applicant is not barred from claiming refund under Section 54(3) of the CGST / SGST Act, 2017 and document the basis on which refund claim is sought by the applicant. Compare the GST rate of inputs and the GST rate on outputs.
- (iv) Obtain a declaration from the suppliers to the effect that they have not claimed refund or drawback on the supplies made i.e. this proviso forming part of 54(3) of the CGST / SGST Act, 2017 - to ensure that there is no double refund / revenue loss to Government.
- (v) Obtain documentary evidence from the applicant for ensuring that there is no unjust enrichment of the refund amount claimed [Section 54 (4) (b) of the CGST / SGST Act,

2017]. Examine if uniform pricing methodology is applicable in the business of the applicant such as sales based on standard list price. Where such methodology is applicable then two successive invoices, one involving a refundable amount and the other not involving any claim for refund are 'unlikely' to be the same price. If this is observed then further substantive tests are required to establish that the 'burden of this refundable amount' has NOT been passed on. However, if negotiated price methodology is applicable in the business of the applicant, suitable representation may be obtained to the effect that refundable amount has NOT been passed on.

- (vi) Ensure that the refund claimed is recorded as receivable in books and tallies with ledger balances. Also test check the tax invoices and flow of accounting entries recorded in books for such supplies and related taxes.
- (vii) Ensure compliance with provisions of Section 54(10) of the CGST / SGST Act, 2017 with respect to default in furnishing any returns, non-payment of tax, interest or penalty etc.
- (viii) This certificate is required to be issued only if the aggregate value of the refund claim exceeds rupees two lakhs (Rule 89 of the CGST / SGST Rules, 2017)
- (ix) This certificate is to be suitably modified wherever applicable. The names of the registered persons, dates, addresses etc. are only illustrative and needs to be modified in each case. Any resemblance to any person / place is purely unintentional.
- (x) This certificate is to be issued in respect of a person who has made a claim of refund u/s 54 of the CGST / SGST Act, 2017
- (xi) Ensure that the certificate issued is in accordance with the Guidance note on Reports and Certificates for special purpose issued by the ICAI.

8. We have examined the books of accounts and other relevant documents / records of the applicant for the purpose of Section 29(5) of the CGST Act and SGST Act and Rule 44(3) of CGST Rules.

9. Based on our examination as above and the information and explanation given to us, in our opinion, subject to our remarks / comments in Para 9 infra, , the amounts declared by the applicant and provided in Appendix A as mentioned in Para 9 below, relate to details of inputs held in stock, inputs contained in semi-finished or finished goods held in stock, and capital goods/plant and machinery held in stock on the day immediately preceding the date on which it's registration has been cancelled under the CGST / SGST Act, 2017, and in respect of which the tax invoices are not available but input tax credit is required to be reversed and paid back to Government under section 29(5) of the CGST and SGST Acts, are true and correct and in conformity with the books of accounts and other relevant documents/ records maintained under the CGST Act and the SGST Act.
10. The relevant details of inputs held in stock and inputs contained in semi-finished or finished goods held in stock as on _____ (that is the day immediately preceding the date on which registration of the applicant under the CGST / SGST Acts, 2017 has been cancelled) where tax invoices are not available with Applicant and the corresponding input tax credit is provided as Appendix A.
11. Remarks / comments (Refer Para 7 supra):
- (a) Management has conducted physical verification on method and based on review of the observations in that exercise and the treatment of those observations in the books of accounts, it is found that inputs stated to be held in stock on the date immediately preceding, the date on which Management is stated to be liable to pay tax under SGST / CGST Act, are verifiable and free of observable differences except to the extent of
 - (b) Based on the same exercise subject to derivative data in respect of inputs contained in verified quantities of semi-finished or finished goods held in stock on that date and as certified by the Management are also verifiable and free of observable differences except to the extent of
 - (c) The description, value along with rate of GST of the inputs held in stock, inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date on which registration of the applicant under the CGST / SGST Acts, 2017 has been cancelled i.e._____, whose invoices are not available with applicant, is based on the management certificate furnished to us on_____. According to the management certificate the value of inputs as such, semi-finished goods, finished goods and capital goods is an estimated price of such goods which is based on their prevailing market price as on_____.
 - (d) These estimates have been worked out by the Management as per the requirement of Section 29(5) of SGST/CGST Act, 2017 read with Rule 44(3) of CGST/SGST Rules, 2017 and we have reviewed their assumptions and workings. Based on our examination of the evidence supporting the assumptions, nothing

has come to our attention, which causes us to believe that assumptions do not provide a reasonable basis for the estimate. Actual results are likely to be different from the estimate since anticipated events might not occur as expected and the variation might be material.

- (e) The stocks have not been physically verified. Reliance has been placed on the declaration given by applicant in respect of quantity of stocks held by it as on _____ whose invoices are not available with it.
- (f) The inputs contained in semi-finished or finished goods held in stock are based on the management certificate furnished to us on_____.
